1. Fall Fun: Kindergarten and up (9/28, 10/5, 10/12 and 10/19) 4:15-5p.m. \$30.00 for 4 sessions.

Children will “fall” in love with the fun art and craft projects that have blown in for the fall season. Over the four week session the children will create a leaf banner, draw a pumpkin still life using chalk pastels and use colorful leaves to make their own leaf collage to look like a person or animal. We will start off each class with a short story. Art can be messy so please bring a smock or art shirt or wear old clothing. We look forward to creating some fun art with you. Classes follow the state and National standards for art.

2. “Who” wants to make some Owls?:

Preschool age (10/9) 10:30 – 11:00 a.m. \$8.00

We will start by reading a book about owls. The children will then have a “hoot” of a time creating a three dimensional owl with real feathers. The owl project will help your youngsters with their fine motor skills. Art can be messy so please bring a smock or art shirt or wear old clothing. We look forward to creating some fun art with you.
